## Magistrate Court Opens 1st, James L. Tyson Is New Judge

The new Magistrate's Court, created by the recent session of the state legislature, will be established on July 1, at the Glades Office Building, according to Hon. James L. Tyson, Jr., who on last Friday was named by Gov. Bryant as judge of the new court.

The Glades Office Building is presently undergoing extensive remodeling and additional rooms are being added, County Commissioner Paul Rardin said. The commissioner further stated that the new court will hold regular sessions, as designated by Judge Tyson, in the auditorium of the present building. Plans call for another addition of a second story on part of the building to house the new court and the Small Claims Court that has been functioning for more than a year there.

Judge Tyson said that his court will try all traffic cases with the exception of drunken driving with accident and injuries. Small misdemeanor cases, drunkenness with fine limits of \$2,000 or 90 days will be tried in his court, the judge said. In some cases the judge will act as a committing Magistrate and no cases to higher court in West Palm Beach.

John Dunkle, Clerk of the Criminal Court of Record in West Palm Beach will be the official clerk of the new Magistrate's court and will have a representative in the new Judge's office to accept fines and bonds.

## Summer Program Canal Point School

Summer Enrichment Program sponsored by the Palm Beach County School Board will begin the summer program in Canal Point School June 16 and run through July 28. Regular school hours will be observed from Monday through Friday, classes will begin at 8:00 a. m. and close at 4:00 p. m.

Mrs. Mildred Larrick and Mrs. Charlotte Walton will be in charge of music, art, library and quiet games. Coach William Howard will assist them in swimming instructions. Children may take advantage of the full day's schedule or take any part of the program. Those staying all day may either go home for lunch or bring a sandwich lunch.

## Hooks Plans \$80,000 Apartment Building

D. L. Hooks of Canal Point is planning a new apartment house on property he owns across the street from his home on Lake Shore Drive in Canal Point. Mr. Hooks recently completed a handsome new duplex immediately north of another duplex he completed a few years ago. The present plans call for a large apartment house to cost in the neighborhood of \$80,000 and work will start just as soon as red tape will allow.

C. Y. Scroggins of Canal Point is visiting relatives in Nashville, Tennessee.

## Funeral Services For Dr. J. G. Bennett

Funeral services were held in Hendersonville, N. C. a week ago Friday for Dr. J. G. Bennett, 58, who died following a heart attack. He was a practicing dentist there for 39 years. He was the father of Mrs. Edgar Wilder of Pahokee. Mr. and Mrs. Wilder were on their way to Hendersonville and had stopped over for a day to visit relatives in Metter, Ga., when they received the word of Dr. Bennett's death.

## Shelley & O'Steen Returned To Glades

Good news for the Methodists and their friends in the Lake Region came last week when the Methodist Conference in session in Lakeland announced the return of Rev. Robert Shelley to Canal Point and Rev. Thomas C. O'Steen to the Pahokee church.

Rev. O'Steen had served a year in Pahokee where his flock is well satisfied with his work. Many fine improvements to the church have been made during that year and he has proved himself a leader among the members of his church.

In Canal Point Rev. Shelley is starting his fourth year with the Methodists. Mrs. Shelley is an instructor in public schools and the two have won for themselves a wide circle of friends who will be happy to know that they are to be in Canal Point for another year.

Quite unusual in civic club history is the fact that both Rev. O'Steen and Rev. Shelley are members of the Pahokee Rotary Club.

## Pahokee Banker In School Of Banking

BATON ROUGE, La.—Julius T. Moon, Asst. Vice Pres. of Bank of Pahokee, Pahokee, is enrolled at the School of Banking of the South here for two weeks' intensive study of advanced banking subjects.

Classes started on the campus of Louisiana State University on June 5 and continue through June 17. Mr. Moon is in his third year of the three-year program, which requires several home study problems in addition to class work. The bankers associations of 13 Southern states co-sponsor this adult educational program inaugurated in 1950.

Total enrollment this year stands at 554 banker-students, with a faculty of some 80-odd lecturers in all phases of bank management and operations. Bank officers from 13 states and Puerto Rico are currently taking the course.

The graduating class of 168 will be honored at ceremonies Friday evening, June 16, at which time diplomas will be awarded. This year, the school will graduate its 1,000th banker. Final examinations are given each class.

Applications for admission are (continued on page 8)

## Texas Onions Are Mammoth In Size

Lake Okechobee Region farmers who till the most fertile mucklands in the world—not even excepting the Valley of the Nile in the land of the ancient Pharaohs—may have a little competition in certain parts of Texas. Just this week the agricultural editor of the Everglades News received a box of Texas onions from W. W. (Billy) Wilson who is visiting in Crystal River, Texas, and their size was mammoth.

The onions we received came out of one sack with 23 onions in it that weighed 53½ pounds, according to Mr. Wilson, who is visiting at the Powell House in that Texas town. They are delectable in taste and we acknowledge Mr. Wilson's kindness in sending along several samples of one of my very favorite foods.

Mr. Wilson left Canal Point several weeks ago to make his home in Texas after living for many, many years here where he had won a wide circle of friends. Again to Mr. Wilson and the Powell family, we say thanks.

## Rev. Shelley Tells Of South's Problem

Rev. Robert Shelley, pastor of the Canal Point Methodist Church spoke on "Personal Problems of the South" Monday evening at the local Lions Club Meeting.

J. G. Weeks, program chairman, introduced Rev. Shelley. In his message, he explained his belief that the problems of the South are personal and could not be handled by an outsider, in the racial problems they have only used agitation and interference. He went on to give the origin of prejudice, which he said began in the servitude of the Israelites in Egypt, and the origin of slavery in America began in 1620 on the New England Coast, six months before the landing of the Mayflower.

When it became unprofitable it then became a moral issue, he further explained, that Slavery did not originate in the South. His next step was to help find the right answers to these problems. He began with the difference between "Evolution" new growth and "Revolution" forced growth, again the answer can only come through each individual in Christ and in the Church. He concluded his talk with "the answer is not in compulsion, but in conversion."

P. A. Slonaker presided over the business meeting. D. B. Mathis of the Pahokee Club attended the meeting to work on the plans for the 4th of July joint meeting and barbecue. D. L. Hooks, chairman of the Street Light Fund, reported that the fund is still short of the goal, and he thought each grown man or woman in Canal Point should contribute to this project. David Jones of Gainesville, was the guest of his brother, A. W. Jones.

Miss Nancy Thomas and Robert Meyer of Miami were the weekend guests of her parents, Mr. and Mrs. J. V. Thomas, Sr., in Pahokee.

## 59 Seniors Receive Diplomas As Pahokee Ends School Year

### Former Resident Dies In Arkansas

Charles E. Tinney, former resident of this area and more recently a resident of Newport, Arkansas, died last Thursday. He is survived by his widow, Mrs. Eunice Tinney, one son, Douglas of California, and one daughter, Mrs. Ruth Malloy of Hampton, S. C. He was a member of the First Church of Christ, Scientist, in West Palm Beach. Funeral and burial took place in Arkansas.

## 2,881 Acres Raw Land Sell \$253 Acre

A. A. Poston, Lake Park real estate broker, was high bidder Tuesday for 2,881 acres of unimproved farm land in Palm Beach County located north of the Belle Glade Airport Road.

Poston, who offered the state \$729,044 for the parcel six miles northeast of Belle Glade, said the area would be turned into a real estate development if sold to clients he represents.

The land brought a price of \$253 an acre. It was appraised at \$100 and the appraiser estimated it would cost another \$100 per acre to make it usable.

The trustees of the Internal Improvement Fund, who took the bid, also received offers for separate parcels of the land and would up with a top offer of only \$152 an acre or a total of \$438,000 from two bidders.

Trustees will act on the bids next Tuesday.

## Chamber Request Forwarded To SRD

The county commission this week concurred in a request from the Pahokee Chamber of Commerce calling on the State Road Department to complete a survey for the improvement of State Roads 441 and 715 through Pahokee and for the road department to furnish right of way maps for the project. The Chamber's request was forwarded to the State Road Department in Fort Lauderdale.

## Echols Grocery Is Air Conditioned

Keeping step with the times, Grady Echols of Echols Grocery had a spanking new air conditioning unit installed in his very popular grocery store in Canal Point this week. Mr. Echols joins many other Canal Point business enterprises that have gone modern. They include the Canal Point Post Office, Grace Waldron's Beauty Shop, Pahokee Drainage District with offices in Canal Point, Canal Point Pharmacy, Dr. W. T. Gist's office, Dr. Young's office and others.

Another graduation exercise in Pahokee High School is history and 59 Seniors now have their diplomas as a result of happenings at the High School on last Friday night. Only a small percentage of the group will continue their quest for higher education, according to expressed intentions.

Dr. Paul Graham, dean of the evening division of Palm Beach Junior College, delivered the commencement address in which the graduates were congratulated for the successful completion of 12 years of public schooling and were urged to continue, if possible, their formal education.

The Rev. Robert A. Shelly gave the invocation and the Rev. Ora R. Smith, the benediction. Thurmond W. Knight, chairman of the County Board of Public Instruction, presented the diplomas to the class.

The exercises were preceded by a brief concert played by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampi. The band also furnished music for the processional and recessional.

The top 10 members of the class with highest scholastic averages were given special recognition as honor students. They were Shirley Mae Anderson, Dianne Douglas, Carol Lynn Epstein, Sandra Rebecca Lampi, Virginia Louise Scrape, Glenda Mae Sears, Martha Ellen Sellers, Ila Mae Smith, Nellie Mae Yeomans and James Lamar Williams.

## 4-H Club Girls Off To Short Course

The 4-H Club girls of the Glades Area left Sunday for Florida State University in Tallahassee to attend the 4-H State Short Courses being held June 12 thru 17. The girls attending are: Miss Janette Harrington, of Canal Point, president of the Palm Beach 4-H Girls County Council, Ann Murray of Belle Glade; Helen Zwick, Bean City; Karla Mansfield and Daphne Henderson, both of South Bay.

The girls were accompanied by Mrs. A. R. Harrington, local leader representative of Canal Point, also Miss Meriam Lo Pinto and Mrs. Laura Burgard, County Home Demonstration Agents, both of West Palm Beach.

The 4-H Club Boys of this area attending the short courses at the University of Florida in Gainesville at this time are: Lynn Nicely of Pahokee and Mike Mansfield of South Bay. They were accompanied by Raleigh Griffiths and John Causey, County Assistant Agents of West Palm Beach.

### Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week gave its approval for a plan to improve State Road 805 through Lake Worth and decided to take a look at plans for a change in the intersection of State Road 802 and Ave. A, in the same city.

The 805 plan asked by the Lake Worth city commission calls for four-laning the road.

The intersection plan asked by the city calls for improving the intersection to better handle traffic and to have the county park department build a recreation area at the corner.

The county board concurred with the 805 plan and will forward its decision to the State Road Department. The board agreed to give further study to the second request.

In other actions this week the commission:

Received a bid of \$3,010 for a plot of county owned property in

Lake Worth east of the Federal Highway at 13th Street.

Voted to transfer title, if it can legally be done, of a plot of county land on which the Boynton Beach fire department building is located. The City asked for title to the land.

Voted \$200 to the West Palm Beach Jaycees to help advertise Palm Beach County at the national Jaycee convention this month.

Heard that the State Road Department did not recommend installation of a traffic light at 10th Ave. N and Davis Road.

Received a letter from the Jupiter Inlet Colony asking that the name of SR 707 be changed to A1A through Juno Beach.

Set July 3rd for the start of tax equalization hearings.

Referred to the county zoning commission, a request for regulation requiring that all swimming pools be enclosed in the interest of safety.

blown up in Belle Glade and a sheaf of letters to this effect were filed with the commission this week. Groups registering protest with the commission included the Belle Glade City Commission, Community Christian Church, Florida Christian Ministry of Migrants, Brotherhood of the First Baptist Church, the Belle Glade Inter-Racial Council and the Belle Glade Negro Civic League.

Commission Paul Rardin, Canal Point, at one point in the discussion attempted to kill the request by moving that the request for a change in hours be denied. His motion died for lack of a second.

At another point in the discussion, Rardin hotly denied that most of the Glades residents are drinking people. He was upheld in his opinion by Sarah Lee Creech, a Glades leader against the move to change the hours.

Vinegar Bend Palms Club Owner Poulus said that more people in the Glades drink than don't drink. Rardin took exception to this indictment of his constituents and told Poulus that he "wholeheartedly and vehemently disagreed" with his statement.

Johnson said most of the opposition against the proposed change is coming from "church people who are against the consumption of alcohol."

County Commission E. F. Van Kessel said it seemed the Glades cities had seen fit to break the 1952 agreement and now it seemed the fair thing to do was to again try to bring about uniform hours—extending them if necessary.

The board however, voted to take no action until it had some kind of an answer in writing from the city councils of South Bay and Pahokee as to the status of the "uniform hour agreement."

The request for a change is scheduled to come up again at the commission's June 26 meeting.

### Experiment Okehed Lake Osborne Grass

The county commission this week voted to go along with T. A. Murray of Lake Worth in an experiment to see if there is any value in the marine grasses of Lake Osborne and Lake Ida.

Commissioner Ed Bandlow, Lake Worth, who recently asked that the idea be considered, made the motion to grant a \$1 a year franchise to Murray for the period of one year to take grasses from the two lakes.

If the experiments work out, the board said Murray's franchise will be hiked to \$1500 a year after that time.

W. Jones in Albermarle, N. C. They also plan to spend a few days resting and relaxing in Dillsboro, N. C., before returning home.

### Whiskey Hours Are Cussed, Discussed

The status of a tri-city agreement, in which a trio of Glades cities petitioned the county in 1952 to establish uniform closing hours for liquor establishments, blocked action on a request for a change in hours of operation for bars west of 20-Mile bend.

The county commission has been petitioned by a night club owner near Belle Glade, but outside that municipality, to change its established hours of operation to conform with two other Glades cities.

The agreement in question—and which has apparently been tossed out the window by South Bay and Pahokee, calls for sale of liquor daily from 8 a. m. to midnight; until 1 a. m. on Sunday and far bars to be closed the rest of the time on Sunday.

In a resolution adopted by South Bay, Pahokee and Belle Glade in April, 1952, petitioned the county to follow the agreement in establishing hours outside municipalities and under jurisdiction of the county. The commission adopted the resolution, and since that time has been called on to defend the closing hours in court.

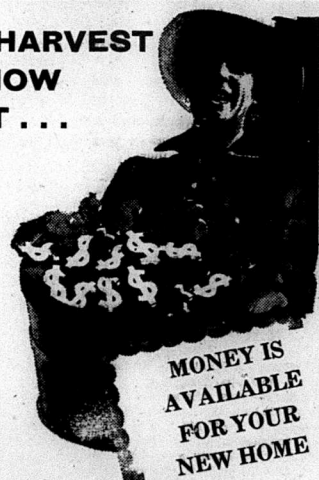

In recent months, South Bay and Pahokee have changed their hours of operation to set a longer day for sales and for Sunday sales in some areas. Belle Glade still sticks to the closing hours named in the original tri-city agreement.

The county commission this week refused to change its established hours of operation until it hears directly from the towns of South Bay and Pahokee what they intend to do about the 1952 resolution which they asked the county to adopt.

Meantime a storm of protest over a change in operating hours has

## HOW MUCH YOU HARVEST DEPENDS UPON HOW MUCH YOU PLANT . . .

Saving is like planning. The more you put down, the more you get. But there are two important differences. A savings account is not subject to the risks of weather and drought. And, to keep your account growing, the big secret is **REGULAR** saving. You may be amazed how much you can save, painlessly, out of income. Let us tell you the facts.

## Here's what the new 3 $\frac{3}{4}$ % interest rate on U.S. Savings Bonds means to you:

**\$3 = \$4** *fourteen months faster than before*

### *The Bonds you own are better than ever, too*

The new 3 $\frac{3}{4}$ % rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra  $\frac{1}{2}$ % from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

### **More advantages of U.S. Savings Bonds**

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

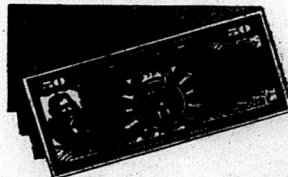

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

### Cancer Gifts In Memory Friends

Contributions given in memory of persons who had died of cancer may be contributed to local County Units or to the Florida Division office of the American Cancer Society to further support cancer control programs of public education, scientific research and patient services.

The announcement was made yesterday from the Society's headquarters in Tampa in answer to an increasing number of public inquiries since the death of veteran film actor, Gary Cooper.

According to a Society spokesman, many Floridians contribute to the Cancer Memorial Fund each year. Gifts are usually contributed in memory of close friends or relatives although an increasing number of contributions are being made as tokens of respect to prominent persons such as John Foster Dulles, Richard Skelton, son of comedian Red Skelton; sports greats Babe Ruth and Babe Driksion; Zaharias, Broadway lyricist, Oscar Hammerstein and many others.

When a memorial contribution is made, to either a County Unit or the Society division office, the gift is recorded and put in a permanent file. Without mention of the amount given, an appropriate card, in the name of the Donor, is sent to the family of the deceased. The donor, in turn, receives an acknowledgment receipt which is assurance that the contribution has been made and will be used to help support the Society's year-round cancer control programs. Official receipts of contributions are recognized for tax exemption purposes.

Mr. and Mrs. John Williams and children, Amy Jo and Jean Beth of Orlando were Monday visitors of his parents, Mr. and Mrs. J. E. Williams in Canal Point. They were on their way home from a weekend visit with her parents in Boca Raton.

### 1951 Class Group Holds Its Reunion

The tenth anniversary reunion of 1951 graduating class of Pahokee High School was held Saturday evening. Twenty-four class representatives were present out of the party of forty-two guests.

Melvin (Mel) Tillis of Nashville, Tenn., singer and composer of Western songs also recording artist and TV performer was introduced by Willard McCurdy, who acted as master of ceremonies. Mel entertained the group by singing several songs he had composed and accompanying himself on the guitar. He sang two of his latest songs which haven't as yet been released.

Miss Myra Cruthirds of Pahokee was in charge of the local arrangements and gave the welcome address. She was assisted by Mrs. Janette Mathis Johnson, the class valedictorian, and Mrs. Janet Adams Maloy, the class salutatorian.

Out of town alumni and guests included Melvin Tillis, Nashville, Tenn., Mrs. Mary Ellen Deal of Statesboro, Ga., Mrs. Joan Rosenberg Fitzgerald, Hawkinsville, Ga., Mr. and Mrs. Chandler McIlwain, Ft. Lauderdale; Mr. and Mrs. Charles Sears, Destin, Ga., Mr. and Mrs. Bobby Peacock, Belle Glade; Mr. and Mrs. Dale Maxwell, local; Mr. and Mrs. Irvin (Janet Adams) Maloy of West Palm Beach; Mr. and Mrs. Charles Holmes, St. Petersburg; Mr. and Mrs. Sidney Caruthers, Gainesville; Mr. and Mrs. Trevette Weeks (Joan Sheppard), Lake Worth; Mr. and Mrs. Charles Laisrey, Sebring; Mr. and Mrs. Bobby Mackey of Stewart; and Willard McCurdy of Miami.

### Patterson Circle In Monday Meeting

The Ione Patterson Circle of Canal Point Baptist Church, met in the church Monday, June 12th at 3:00 P. M. Mrs. W. S. Evans, chairman, presided over the business session. The devotional was given by Mrs. Walter Cross. Mrs. J. D. LaHam presented the program on "Intercessory Prayer" assisted by Mrs. Frank O'Connell, Mrs. C. B. Jones, Mrs. W. S. Evans and Mrs. Charles Stewart.

The chairman appointed a nominating committee, to select the new slate of officers for the coming year. Those appointed on this committee were: Mrs. Paul Bardin, chairman, Mrs. Frank O'Connell and Mrs. M. C. Carter. The July meeting will be held at the home of Mrs. J. J. Walker of Port Mayaca, with Mrs. J. H. Bordeaux in charge of the program.

### Shower Honors Miss Judy Cunningham

Mrs. H. J. Anderson's home on Bacom Point Road in Pahokee was the scene last Thursday evening of a miscellaneous bridal shower honoring Miss Judy Cunningham of Pahokee, bride-elect of Allen Fowler.

Hostesses were Mrs. Sam McKinstry, Jr., Mrs. James Harry Wilkinson, Mrs. J. G. Thomas, Jr., Mrs. H. M. McIntosh, Mrs. G. F. Kincaid, Mrs. Olaf Boe, Mrs. Lewis Friend, Mrs. J. T. Platt, Mrs. E. F. McIlwain, Mrs. L. L. Shirley, Mrs. R. B. Simonson and Mrs. H. J. Anderson.

Miss Jill McIlwain and Miss Shirley Kincaid took turns presiding at the guest book. Over one hundred guests called during the evening. The house was beautifully decorated, using sweetheart roses and crepe myrtle.

The refreshment table overlaid with a lace cloth, centered with an arrangement of sweetheart roses, flanked by pink tapers in crystal and an heirloom cut glass punch bowl graced one end of the table.

The color theme was carried out in the dainty tea cookies. Arrangements of roses and crepe myrtle were used in the living room and also in the den, which served as a display for the gifts. An electric, dual-control blanket was a gift to the honoree by the hostesses.

They also presented corsages of baby Vanda orchids to Miss Cunningham, her mother and grandmother for the occasion. Mrs. H. M. McIntosh grew and fashioned these corsages. Mrs. Edna Pickett had charge of the floral decorations.

### Legislators Are Given Pat On Back

Palm Beach County's legislative delegation—Sen. Ralph Blank, Jr., and Reps. Emmett Roberts and Jerry Thomas—won official thanks in the form of a resolution adopted this week by the county commission.

The resolution said the delegation has rendered excellent service which will benefit Palm Beach County and that the group had forcefully and aggressively taken action to prevent the county from losing gas tax in a proposed split of Lake Okechobee.

"We commend them individually and collectively for their work," the resolution said.

### CIRCLES TO MEET

The following WSCS Circles of Pahokee Methodist Church will meet Monday, June 19th: The Mable Simmons Circle will meet at the home of Mrs. Arch Blakey; The Gertrude Shirley Circle will meet with Mrs. T. C. O'Steen at the Parsonage; The Vena Mae Schroder Circle will meet at the home of Mrs. Hugo Boe.

## Board Chairman Was An Essayist

On February 16, 1922—a little more than 39 years ago—a bright young man in Canal Point School wrote an essay on the Town of Canal Point. Today that bright young man is the Chairman of the Palm Beach County Board of Public Instruction—Thurmond W. Knight of Lake Park and now many years a resident of Pahokee.

A copy of this essay was placed in the corner stone of the school being built at that time and only recently Mr. Knight was given the original from the files of the Canal Point School. Just to prove that time hasn't done much to Canal Point, we are printing the essay in full:

"Canal Point is a small town at the mouth of the Palm Beach Canal, on Lake Okechobee, which is a great body of fresh water sixty miles long and forty miles wide.

"The first farms were owned by a few fishermen that were out here fishing, but the largest farm here was first owned by H. F. Harmon who came out here and bought a section of muck land. Now he has sold his farm to the Florida Sugar and Produce.

"At present we have here three stores, one Post Office, and one hotel. Also another store is being built by Mr. Davis of Bacom Point, Fla.

"There are about five hundred inhabitants at Canal Point.

"We have two schools here, the Grammar School, whose teacher is Miss Alice Presley, with about

eighteen pupils, and the Primary School whose teacher is Miss Helen Raughton, with about thirty-four pupils.

"Here they are building a large ten thousand dollar Vocational School, which is a Modern brick building and will have all modern conveniences, such as water works, sewerage, and comfortable desks. I think they will teach agriculture, and will also have twelve grades.

"Mr. Barto has contracted to build the school-house, he has about nine or ten men at work, excluding himself and his brother who are brick masons."

## Travel Agents Like Miami Beach Rates

MIAMI BEACH—Forty one Scandinavian travel agents just completed a visit to Miami Beach and declared their surprise at the low rates in the summer and fall in the luxurious resort hotels.

The group were guests of Morris Lanshaugh, president of Miami Beach's Associated Hotels, Inc. and Scandinavian Airlines System, Inc. They were also greeted by Judge Kenneth Oka of Miami Beach and officials of National Airlines, the Florida Development Commission, the Florida Hotel Association and the Miami Beach Chamber of Commerce.

### APPRECIATION

I wish to thank my many friends who were so kind and thoughtful while I was ill in the hospital. I shall always remember these kindnesses.

## Glades Way Ahead In Red Cross Benefits

June 12, 1961

Everglades News  
Rardin Building  
Canal Point, Florida  
Gentlemen:

The Palm Beach County Chapter, American Red Cross did not have a fund drive in Pahokee and Canal Point in March 1961. These are the only towns in Palm Beach County that did not contribute as a chairman could not be obtained for the drive.

Your communities have certainly been on the receiving end where Red Cross is concerned. Here are the facts about what Red Cross has done in the Glades since 1956:

|                                    |             |
|------------------------------------|-------------|
| March 31, 1956, 53 family fire     | \$ 5,553.89 |
| February 8, 1958, 9 family fire    | 2,167.25    |
| February 10, 1958, 11 family fire  | 939.19      |
| October 8, 1958, 47 family tornado | 11,974.05   |
| March 15, 1959, 7 family fire      | 311.78      |
| December 18, 1960, 1 family fire   | 46.63       |
| February 13, 1961, 8 family fire   | 855.00      |
| May 30, 1961, 32 family fire       | 2,772.00    |

Total \$24,820.79

During this same period (1956 through 1960) Pahokee-Canal Point contributions amounted to \$5,112.92. This amount of \$24,820.79 was spent with local merchants.

Won't you make your 1961 contribution now. It is needed!

Sincerely,

Lewis Friend

Member of Board of Directors

Attorney and Mrs. Ralph Johnson of Pahokee will leave next Wednesday for a vacation trip to Ohio, the home of her relatives.

Eddie Hightower, of Winter Park is spending this week with his former roommate Johnnie Smith and his parents, Mr. and Mrs. R. T. Smith in Canal Point.

Mr. and Mrs. J. G. Thomas, Jr., left yesterday for several days vacation in Panama City Beach.

Mrs. Ted Figgenter of St. Louis, Missouri and Mrs. J. G. Parker and children, were the Sunday guests of, her son and daughter-in-law, Mr. and Mrs. J. P. Parker in Canal Point.

## Cattlemen Honor H. O. Partin Today

TALLAHASSEE—One of Florida's outstanding cattlemen will be honored Friday (June 16) by the State Department of Agriculture at the closing session of the Florida Cattlemen's Association mid-year convention at Clewiston.

For his long and valuable service to agriculture, and in recognition of his contribution to building and expanding the state's cattle industry, Henry O. Partin, Kissimmee, will be presented with an engraved plaque by Commissioner Doyle Conner. Conner will be a featured speaker on the closing day's program.

Partin has been engaged in the cattle business since he was a boy. A pioneer importer and breeder of the Brahman strain, he now has one of the largest and finest purebred herds of Brahmans in Florida. His Emperor and Manso lines have achieved international fame. In recognition of his work in developing the breed, he has been a director of both the Eastern and American Brahman Breeders' Associations.

As a member of the State's livestock regulatory agencies, Partin's service is one of the longest on record, according to Conner. He served nearly six years on the old Livestock Sanitary Board, from February 15, 1945 to September 5, 1950. When the agency was reorganized as the Florida Livestock Board in 1953, he was appointed to it in June of that year, the only member at that time with experience on the previous board. He served continuously for about 7 1/2 years, until January 15 last when reorganization of the Agriculture Department became effective.

## Over 6,000 Service Stations In State

JACKSONVILLE—Latest Census Bureau figures show that Florida has 6,105 service stations to care for its 2,051,168 motor vehicles, the Florida Petroleum Council reported today. This is a ratio of one service station for each 336 vehicles.

Citing the recently-released final figure for 1958, the year of the last government count, John F. White, Chairman of the organization said that although the number of stations represented a 63.7 percent increase over 1948, the ratio of stations to motor vehicle population declined during the decade. He noted that 10 years ago there was one station for each 207 vehicles.

Vehicle registrations in Florida showed an increase of 18.1 percent over the 770,935 figure in 1948, he pointed out.

### ON VACATION TRIP

Mr. and Mrs. S. S. Scruggs, Sr., of Runyon and her mother, Mrs. Susie Williams of Chieftand, who has been their house guest for the past month, left Saturday on a three weeks vacation trip to New Jersey, New York and Washington, D. ### BACK TO ATLANTA

Stanley Hooks left Saturday for his home in Atlanta, Georgia, after spending the past week with his parents, Mr. and Mrs. D. L. Hooks in Canal Point. He was accompanied to Adel, Georgia, by Mr. and Mrs. T. C. Yeomans of that city, who came here last week to attend the graduation exercises of their granddaughter, Miss Nellie Mae Yeomans, from Pahokee High School.

T. D. Mullin, accompanied by his wife and son, T. D. Mullin, Jr., left Saturday for Ocala where they will reside for the summer. Mr. Mullin will resume his duties in the office of the Joe Brown Produce Company. He has been working in Ocala for several months and returned here Friday to attend the graduation exercises of his son, Tom, Jr., from Pahokee High School.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{4}\%$  for the first year and a half; then a guaranteed 4% each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.
